Lag BaOmer Community Celebrating

Nearly 100 members of the Southend and Westcliff Hebrew Congregation from across the age spectrum joined together for the annual community barbecue to mark Lag BaOmer. The food was provided by master chef David Baker, with his trademark mix of burgers and hotdogs.

The event included a singalong and a young professionals football game. The shul's long-serving *gabbai*, Stanley Robinsons, thanked all those present for making this family occasion such a joyous event.

The barbecue was part of the shul's ongoing programme of activities to mark its 110th anniversary.
