Inspirational Midnight Selichos

The Southend and Westcliff Hebrew Congregation held its annual choral midnight *Selichos*. The packed event saw the community participating in a unique spiritual experience, an inspiring *Selichos* service to awaken them to the spirit of the Yamim Nora'im.

Rabbi Binyamin Bar, Rav of the *kehillah*, led the *davening* with great emotion, accompanied by the harmonious voices of the Belz Chassidim who have recently moved to the area. Several other members of the Belz *kehillah* in Stamford Hill drove down to Southend on Motzoei Shabbos to participate, and greatly enhanced the service, contributing to the vibrant atmosphere and power of the *tefillos*.
